

GOD OF THE I-M-POSSIBLE

Jeremiah 32:27 Amplified Bible (AMP)

27 "Behold, I am the Lord, the God of all flesh; is there anything too difficult for Me?"

It seemed impossible, but God parted the sea and the children of Israel walked out of captivity, on dry land.

It seemed impossible, but God caused Abraham and Sarah to have Isaac, their promise child, when they were 100 and 90 years old, respectively.

It seemed impossible, but God elevated Joseph from a slave and a prisoner to the second-in-command of one of the most powerful nations on earth, at the time.

It seemed impossible, but God caused a young Hebrew virgin to conceive and bring forth the Savior of the world, without ever knowing a man.

It seemed impossible, but God caused Christ to raise Lazarus from the dead, after being in the tomb four days.

It seemed impossible, but God raised Christ Himself from death on the third day and seated Him at His right hand in the heavenly places, far above all principality and power and might and dominion.

EL SHADDAI, the LORD God Almighty, is the Sovereign LORD, who spoke creation into being. He is the God of the I-M-Possible, for whom nothing is too difficult. Throughout Scripture there are countless confirmations of God's unsurpassed power and incomparable ability to do the seemingly undoable. If you take time to look back, you will see that even in your life, there have been countless times when He has lovingly and faithfully turned around seemingly impossible situations and caused you to be victorious against the most fierce opposition and most daunting circumstances. And because He is a faithful God, rest assured that what He has done for you before, He will do for you again and again and yet again.

You have seen the Sovereign LORD part seas before, you will see Him do it again; you've seen Him tear down walls before, you will see Him do it again; you've seen Him defeat giants before, you will see Him do it again; you've seen Him calm seas and silence storms before, you will see Him do it again; you've seen Him break chains before, you will see Him do it again; you've seen Him move mountains before, you will see Him do it again and again, and yet again. Whatever seemingly impossible situation you may be faced with today, be it in your family, in your marriage, in your health, at your work, in your business or in your finances, take it to the God of the I-M-Possible, speak victory over it and trust the One who is able to bring it to a good and glorious and victorious finish, for as it is written, "The things which are impossible with men, are possible with God."

Have a blessed weekend ahead!
